See yourself in cyber

The theme of this Year's campaign is "See yourself in cyber" wherein "people" part of cyber security would need to be focused upon. In this regard the following six actions may be taken to enhance cyber security to all stakeholders through awareness campaigns and various other measures:

- Enable Multi – factor Authentication
- Use Strong password
- Recognize and Report Phishing/vishing/smishing
- Do not fall into any financial fraud trap
- Update your software
- Be cyber secure Aware on Social Media
